PROFESSIONAL EXPERIENCE

Reclaim Protocol (YC21)

May 2024 - Present

GTM and Growth Lead

Led the GTM and sales team from \$2,000 ARR to close to \$1,000,000 ARR in less than 7 months.

Led the marketing team to create more than 100 videos, including developer tutorials, quirky ads, and a podcast with notable guests like Nader Dabit and multiple other founders.

Developed a content engine that generated \$1.5 million in pipeline every single month and 20 inbound meetings booked on average.

Questbook

June 2024 - Present

Grants Manager

Represented Questbook and closed the following key customers: Circle, Polygon, Arbitrum, Alchemix, ENS, TON.

Worked as the Grants Program Manager for Circle overseeing ~\$1M worth of grants.

Led Product team to integrate KYC, Fireside, DocuSign and other Agreement Solutions in the product which improved efficiency and productivity of the grant managers using by 80%.

Stripe

Nov 2023 - Feb 2024

Developer Relations / SWE Intern

Onboarded 3 internal teams (Payments, Risk, Internal Tools) to the new documentation.

Created 18 new internal guides + 7 major rewrites of legacy docs, and 12 short-form Loom-style video tutorials.

Increased monthly unique views on internal docs from 220 to 280 (~27% increase).

Swiggy

June 2023 - Oct 2023

Software Engineer Intern

Completed ~120 code reviews over 5 months, catching ~25 issues labeled "high" or "critical" severity pre-production.

Reduced app crashes per 10k sessions from 14.3 to 10.0 (~30% decrease).

Touched code in 6 microservices and 3 core mobile modules.

EDUCATION

Bachelor of Science in Computer Science

Sep 2021 - Oct 2024

Mahatma Gandhi University, India | CGPA: 9.02 (Top of class)

PROJECTS

Warm Intros

Turn your team's network into a searchable layer. Used by the Ethereum Foundation with 100+ users and 10 workspaces created.

GSD

Internal tool for Reclaim Protocol that replaces Slack, Loom, and Notion. We have currently stopped subscriptions for every one of these services.

PRINCIPLES I LIVE BY

- focus on few things really well
 - good ideas come from anywhere.
 - no one is unreasonable
 - demand excellence of myself and others.
-
